Holy Trinity Lutheran Church Preschool Presents:

America's Most Practical and Entertaining Parent Training

A parent training program designed
by the Love and Logic® Institute

Get Answers to:

- “How can I get my children to listen the 1st time?”
- “How can I stop my child from whining and arguing?”
- “What parenting style is right for my family?”
- ... and many other day-to-day challenges

Love and Logic's® philosophy of raising and teaching children allows adults to be happier, empowered, and more skilled in their interactions with children.

Love allows children to grow through their mistakes.

Logic allows children to live with the consequences of their choices.

Love and Logic® is a way of working with children that puts parents and teachers back in control, teaches children to be responsible, and prepares young people to live in the real world, with its many choices and consequences.
